

# Sections

---

**Part I: Cellular Neurochemistry and Neural Membranes**

Joyce A. Benjamins, Ph.D.

**Part II: Intercellular Signaling**

Stephen K. Fisher, Ph.D.

**Part III: Intracellular Signaling**

Scott T. Brady, Ph.D. and George J. Siegel, M.D.

**Part IV: Growth, Development and Differentiation**

Alison K. Hall, Ph.D.

**Part V: Cell Injury and Inflammation**

Nicolas Bazan, M.D., Ph.D.

**Part VI: Inherited and Neurodegenerative Diseases**

Sangram S. Sisodia, Ph.D.

**Part VII: Sensory Transduction**

George J. Siegel, M.D. and Scott T. Brady, Ph.D.

**Part VIII: Neural Processing and Behavior**

Joseph T. Coyle, M.D.
